

Sea Ray - 280 Weekender

\$ 15,900

Description

Available for sale is a 1991 Sea Ray 280 Weekender cruiser powered by twin 5.7L Mercruiser V8s. The port motor was rebuilt in 2017 and there is less than 200 hours on it. The starboard has approximately 985 hours but was completely serviced in 2017 as well. The deep V-hull design along with a wide beam provides a comfortable and stable platform for cruising. The large cockpit with generous storage, built in cooler, drink holders and a removable bench seat at the stern will cater to guests. There is a transom door leading out to the integrated swim platform. Relax and escape the elements in the air-conditioned cabin down below. It is equipped with a V-berth, small galley, and a standup head. This is a well-rounded vessel ready for fishing, diving, or entertaining. No trailer. Price is \$15,900. This boat can be seen by appointment only. For more information please give Nick a call at GulfCoast Boat & Yacht Sales, Naples, FL. Our number is 239-649-7711 and we are here Monday-Friday 8-5pm. Thank you. N-10-22.
